

St Hugh of Lincoln Nursery School

Parents' Testimonials

"Phoebe has loved every minute of her time in Nursery and I know she will miss it hugely. She has developed in so many ways during her time with you and that is down to the fantastic staff, leadership and happy ethos within the Nursery. We can't thank you enough for making her time with you so happy."

"What a journey! From the 2.5 year old who had never spent a day away from Mum, to the 4 year old, full of confidence and brimming with exciting tales of his Nursery experiences. Nathan has developed and matured into a sociable, confident little boy with a wide circle of friends and is excited and ready to start school."

- *Tracy & Wayne Robertson*

"I genuinely cannot believe how much Emma has progressed and developed since joining the Nursery. She is such a happy, confident little girl with so much enthusiasm for life. I want to express my sincere thanks and appreciation to all the staff for all their kindness, help and dedication towards our child. The best thing that I ever did was to put her into St Hugh of Lincoln Nursery."

- *Liz Church*

"David has thoroughly enjoyed his time at Nursery, and has grown in confidence and character tremendously. The Nursery environment and staff have helped him to achieve his full potential. It is quite wrenching to find that we are at the end of our Nursery experience. The staff and the environment are of the highest standard and can't be recommended highly enough."

Poem shared by a parent

There is no job more important than yours,
no job anywhere else in the land.
You are the keepers of the future;
you hold the smallest of hands.

Into your care you are trusted
to nurture and care for the young,
and for all of your everyday heroics,
your talents and skills go unsung.

You wipe tears from the eyes of the injured.
You rock babies brand new in your arms.
You encourage the shy and unsure child.
You make sure they are safe from all harm.

You foster the bonds of friendships,
letting no child go away mad.
You respect and honour their emotions.
You give hugs to each child when they're sad.

You have more impact than does a professor,
a child's mind is moulded by four;
so whatever you lay on the table
is whatever the child will explore.

Give each child the tools for adventure,
let them be artists and writers and more;
let them fly on the wind and dance on the stars
and build castles of sand on the shore.
