

Early Years Pupil Premium – EYPP (3 & 4-year-old children)

The nursery may be able to claim extra funding through the early year's pupil premium to support your child's development, learning and care. This can include providing valuable support such as providing free education, additional resources or extra training for the staff to help raise the quality of your child's safety and education. Please see below examples of how we have used this funding over the past academic year.

Detail of how to apply are provided in your admissions pack and on your session request form or go to <https://www.oxfordshire.gov.uk/cms/content/early-years-pupil-premium-information-parents>. We will be grateful for your support in allowing us to claim for this invaluable funding.
